

Please Sign the Student Financial Aid Eligibility (AB2083) and CA Dream Act (SB 1301)

Dear Governor,

As residents of the state of California, we ask you to sign the Student Financial Aid Eligibility Act, AB 2083 and CA Dream Act, SB1301. These bills would allow AB540, undocumented and out of state students, apply and compete for institutional financial aid.

The Student Financial Aid Eligibility Act and the CA Dream Act promotes individual responsibility by encouraging students who have been raised as Californians to become responsible educated adults and productive members of our communities. These future citizens should be encouraged to become teachers, doctors, and engineers and productive members of our workforce. It is in the best interest of our state's economy to have an educated workforce to provide the innovation necessary to keep California competitive in the global economy.

Sincerely,
